SOFTWARE DEVELOPMENT IN DIGITAL NOMADING ERA

Presented by Seung-jin Kim / @seungjin

December, 2014

The luxury is the luxury of freedom and time

WHO AM I?

The future is already here

- It's just not evenly distributed

- William Gibson

WORKING AT CAFE

You shouldn't hire people you don't trust,or work for bosses
who don't trust you

If you're not trusted to work remotely, why are you trusted to do
anything at all?

WORKING AT THE BEACH

"Freedom is slavery" - George Owrwll / 1994
